Measure, Appointment or Topic: HB4150

Honorable Committee Members,

I support this bill and urge you to do what you can to move it forward to the legislature. HB 4150 requires that private contractors operating in Oregon must attest to not participating in policies of mass deportation. Avelo airlines profited from a federal contract to engage in these outrageous actions. Public funds must be used ethically and in accordance with Oregon's sanctuary status and values.

Thank you.

Laurie Moses
