2026-302  
Measure, Appointment or  
Topic: SB1599

I am writing to urge a NO vote on SB 1599. The voters expect their elected officials to represent their voices and the voices of Oregonians are very clear on this matter. 250,000+ Oregonians signed a referendum petition that specified this matter would appear on the ballot for the November 2026 general election; this is what was submitted by law and this is what should be upheld by our elected officials.

Oregonians are strapped beyond their means by the never ending taxes that our elected officials impose on us. Enough is enough; let the people be heard on the date we requested. You have had your opportunity to come up with other plans; you failed to do so. That is on you; that is not on the citizens of Oregon. Do your job; represent the voices that sent you to Salem. Vote NO NO NO on SB 1599 and any bill that serves to raise taxes or steal money from hard working Oregonians. The people are watching.
