Stop spending my tax money on illegal aliens and you will have plenty to spend on roads. If you would prioritize funds for auto use instead of bike lanes and homeless RV parking taxpayers might be a little more receptive. Road conditions today in 2026 are far worse than when I began driving in 1965. You made your bed. Now lie in it. Follow the Oregon State Constitution and let the voters decide in November. Thank you for your attention in this matter.
