

Submitter: Karen Wegehenkel

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1598

I oppose SB1598, because:

Unchecked Authority: Grants broad power to unelected public health officials to make decisions affecting all of us, without further legislation or public debate.

Automatic Mandates: Clears the way for vaccine requirements to affect access to schools — without another legislative vote.

Forced Compliance: Invokes statewide one-size-fits-all medical orders without individual consent.

Taxpayer-Funded Mandates: Compels insurances companies and taxpayer-supported public programs to pay in full for vaccines and health services.

Overrides Doctors: Removes ability of doctors to make decisions in the best interest of their patients.

I am a free woman who believes I have the right to make my own healthcare decisions. SB1598 would take this right away from me. Do NOT make this Oregon law!
