I am beyond fed up with y'all blatantly treating the voting public of Oregon like mushrooms.

The petition we circulated and signed was to put those ODOT taxes you tried to sneakily ram down our throats up for a vote on the November ballot.

Oregon law is clear that the referendum must be on the November ballot. Lawmakers should guarantee that the largest number of Oregon voters possible have a say in whether their taxes go up.

I oppose SB 1599.

Stop with the Shell game!
