The people of Oregon are being overtaxed at every part of our lives. The gas tax is another example of mismanaged funds. The people of Oregon spoke loud and clear to Salem enough is enough! Make the choice to fund the basic service of ODOT and maintain Oregon roadways and stop the senseless bleeding of funds to pet projects. Moving the vote to May primary and not leaving on the November general election only shows that Salem knows the voters will reect the tax increase. This is a non representative act by the government of Oregon. Shame on you if you vote to move and deceive the will of the people you claim to represent.
