2026-302

Measure, Appointment or Topic: SB1599

I adamantly oppose SB 1599. It is a gross misuse of governance. Moving the election date for parts of chapter 2, Oregon Law 2025 (special session) referred to the people by Referendum Petition 2026-302, to the primary election held on May 19, 2026 is in direct opposition to the people's voice. Furthermore, fast tracking SB1599 is once again a way to silence the voice of the people of this state. Please listen to your people and schedule this vote for November as stated in the people's referendum. Thank you!
