Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

As someone who put my name on the ballot to allow Oregonians to vote on the tax bill, trying to be pushed through by our governor, I demand that procedure be followed, and be put on the November ballot. This appears to be an attempt to move it further down the line so that you can go against the sentiment of the voting population. Put it on the November ballot as was requested when all signatures were submitted, including mine.
