

Submitter:

Stephanie Sur

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

Vote no on this horrible government overreach. Or amend it to honor medical freedom, bodily autonomy, parental and informed consent. Even during an emergency- we must retain our constitutional rights to decide what goes into our bodies and the bodies of our children. No public health official has this right. Did we learn nothing from the COVID pandemic?
