

Submitter: Jennifer Thomas  
On Behalf Of:  
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water  
Measure, Appointment or HB4153  
Topic:

As a small farm owner in Oregon I oppose this legislation.

Imposing new rules and regulations that may include fees and permits and permission requirements puts undue burdens on the small farm owner and the community as a whole. Enlarging the acreage requirements will disenfranchise existing small farm owners and local customers.

Small communities thrive when there are fewer barriers to free trade and commerce between businesses and the customers they serve.
