Topic: SB1599

We the people have spoken by collecting over 250,000 signatures in record time. Our referendum clearly states that it will be placed on the November ballot. Oregon politicians ignored our testimonies against the Gas Tax Bill and are now ignoring us yet again. Do not make the same mistake twice. We are determined to be heard. Vote NO on SB 1599. It is time to prove that you represent us and not your own interests.
