

Submitter: Oregon Resident

On Behalf Of:

Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

This should be a decision for our main election in November. To add this to the middle year one is disrespectful, and should not be allowed. It's scummy. Oregon is beautiful because of the residents, not because of the politics. Don't make Oregon about the politics!!
