Measure, Appointment or Topic: SB1599

The citizens of Oregon made it clear in their petition to have this egregious attempt at illegal taxation put to the vote of the ENTIRE voting populace in the 2026 general election, not shoehorned into the May election. This blatant attempt to subvert the system by the current democract legislature and governor is both disgusting and illegal. Put the initiative on the November general election ballot and stop trying to manipulate the law and electoral system.
