On Behalf Of:

Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

Oregon State Law clearly states that successful referendums, like No Tax Oregon, are to be put on the November ballot. Trying to change this to the May ballot, against our own laws, screams interference by the Legislature, so I ask this: What do you have to hide in this tax that you don't want us to know about? Why is it that our state requires such a high budget? What reasons are there that you believe taxing us more will help?
