Committee:

Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic:

SB1599

I am a grandfather of nine and seventy-four years of age. I may be losing my marbles but I can still count. This 'referendum' needs to go to the people for a vote. I am completely against it, both resetting the date, or any other changes. You in the political class are supposed to represent the people. Please do that now and in the future.
