Measure, Appointment or SB1599  
Topic:

I am strongly against SB 1599...how day you, once again, try to disenfranchise me and silence my voice. I signed a petition along with 250,000 other Oregonians asking the measure be put in the November 2026 ballot NOT the May 2026 ballot. I am a senior citizen and I cannot afford more taxes and fees, period. You need to do better with the funds you have, like all of us in the private sector do.
