

Submitter: Robert Butler  
On Behalf Of:  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or SB1599  
Topic:

You would be wise to listen to hundreds of thousands of Oregonians who are tired of the antics of the legislature. Catch a clue! SB 1599 is another attempt to silence the wishes of the people of Oregon. The referendum should be voted on this fall as originally intended so that the people of Oregon can express their wishes about ODOT. Leave well enough alone.

Thank you.
