Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

I strongly oppose this economically ill-timed measure in its entirety. A quarter million voters signed a petition to have it put on the November ballot, where it should stay. Any attempt to move it to another ballot month is blatant disrespect for the voters. Let this stay on the November ballot where it will be soundly defeated along with tricky Tina Kotek.
