Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

We want this on the November 2026 ballot. That is what we signed the petitions to have happen. There is literally no reason to move it unless you are attempting shenanigans.

I don't know why you claim to listen to Oregonians, but refuse to do what we ask. Please stop playing games and allow us to vote on this disastrous tax increase when we demanded to be allowed to vote on it.

Thank you.
