2026-302

Measure, Appointment or  
Topic: SB1599

This is another loop hole that politicians are using to get their inflated tax bills due in the current year so they don't have to wait until the following cycle in November. We should not have tax increases on the May ballot at all. Let's give hard working tax payers a chance to take a breath before our taxes increase again. The people of Oregon have spoken, this goes on the November ballot along with the new Governors name!
