Leave the vote in November! There was over 250,000 Oregonians wanting this. So why are we even having this go to committee? Oregonians have spoken. By the way, funny how it was such an emergency to get this crappy tax passed it had to go to special session and now they want to wait longer. Hmm. Let's knock off this waste of time and do what Oregonians want and leave it in November for all to vote on. Thank you for your time.
