Measure, Appointment or SB1599
Topic:

I oppose SB 1599. Do not change the election date of the gas tax referendum. We the people have spoken and we want to vote on the gas tax referendum on the November ballot where it belongs. Stop trying to force things on Oregonians that we do not want! Our tax dollars pay you to work for us not control us. Listen to the people and do your job with some dignity and respect Oregon voters.
