OPPOSE. OPPOSE. OPPOSE. Let's play fair. The people submitted 3 times the number of signatures to have this issue on the November 2026 ballot. Now that you didn't get your way (surprise, surprise) you are going to go behind our backs and have the referendum moved to May so it doesn't coincide with Kotek being on the ballot in November. Quit cheating your constituents. Quit cheating the citizens of Oregon. The NO TAX referendum is to be on the November Ballot. Take your grimy fingers off and let the cards fall as they may.
