Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

I took time from work to drive to Thurston to sign the petition for the November general election.

I'm angry that I have to take time again to make my voice heard. These political antics are ridiculous.

If you want to know what the people think, all of us, let us decide in November with the other important issues.

Please.
