Dear members

I'm writing to you today to stress the importance of getting SB 1599 on the November ballot rather than the May ballot. As you know, the voters of Oregon have spoken with the 250,000 signatures to vote on this matter in NOVEMBER! Please do not let this bill be put on the May ballot. It's the democrats way of trying to dodge a bullet that would quite possibly hurt them in November. We need new leadership in Salem for the vast majority of people in rural Oregon that has no voice.

Thank you  
Russell Weddle
