VOTE NO ON SB 1599

I'm asking you to vote No on bill SB 1599, a bill that moves the referendum from the November election to the May elections.

The people of Oregon have demonstrated with their tremendous outturn to sign the petitions to get Governor Tina Kotek's transportation tax and fee hikes on the November 2026 ballot.

This tax should have the greatest number of people vote on it- thus the November election. If Tina is confident that the tax is the right thing for the people then she should be excited to put it in front of the greatest number of voters in the November general election.

Don't to steal our voice—again!
