

I am writing this because it is plain to see the Governor Tina Kotek is trying to push through her own agenda, which is acceptable when it falls in line with the will of the voters. Pushing SB 1599 to May is a clear attempt to get less voter turnout to deny increasing our taxes, yet again. How many millions of dollars are leaving the state because of business being taxed? How many people are leaving the state because of higher and higher taxes. Oregon law is clear that the referendum **MUST** be on the November ballot. With all the talk about destroying democracy – it is the Democrats that are proving they are willing to destroy democracy. I oppose the call to move the vote to May. It needs to be on the November ballot.
