Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

I am against moving the date to vote on this measure to the primary ballot due to a normally smaller turn out. It needs to be voted on in November during the general election since there is a higher voter turn out at that time. If it is moved to the primary ballot, that means that you don't really care about how these new taxes will affect the people for whom you are supposed to work for.
