Measure, Appointment or SB1599  
Topic:  
Oregon Legislators,

As someone who signed the Tax Petition in 2025, I strongly oppose SB 1599. Voters who signed the Referendum Petition did so with the expectation of the measure being listed on the November ballot. I urge you to honor the will of the people and keep this important measure on the November 2026 ballot. Please respect Oregon voters and give us ample time to make a decision. Please also respect the referendum law process and the rights of Oregon voters by rejecting SB 1599.
