On Behalf Of: All Oregonians  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

As a citizen of the United States and a resident of Oregon, I oppose SB 1599. All Oregon citizens need to read, study and vote on this referendum that citizens brought to the legislature by signing petitions across the state of Oregon late last year. It is wise and necessary, therefore, to bring this referendum to the people during a major November election where all or most Oregonians will take an interest in reviewing it, and voting their conscience on it. Please represent your constituents now by voting NO on SB 1599. God bless this beautiful state!
