Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

I oppose 206-302 because the issue has already been settled and agreed upon by the preceding signatories (petitioners).

Changing the date is not required or compelled by any resonable arguments.
Delaying the vote diminishes the voice of the people and magnifies the voice of the politicos (who are supposed to represent the populace).
