On Behalf Of:	Concerned Oregonians
Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

I urge you to oppose this bill that will move the transportation referendum from the November to the May ballot. Those who signed the petition, signed for it to appear on the November ballot. Please respect the will of 250,000 Oregonians and keep this referendum on the November ballot.

We live in a Democracy and this political jockeying is underhanded and disrespectful to those who put you in office.

Please vote no!
