I am highly opposed to SB1599 being placed on the May ballot. It needs to stay on the November 2026 ballot as originally intended. Typical of democrats trying to rig things in their favor. It needs to be on the ballot along with Tina Kotek and other democrats who supported this bill when they knew how unpopular it was. Oregonians are tired of being taxed to death, especially when there is so much fraud, waste, and abuse of the taxes already being forced on us!!
