Measure, Appointment or Topic: SB1599

This is a partisan hack to subvert the will of the people. Again, you are trying to stack the deck in favor of a mis-managed government that wastes funds on non-result and feel good programs that do not improve the business environment or the economy of the state. Learn to manage the funds you have and cut the programs that continue to fail before you try to jerrymander the vote to get more money you will be able to waste. I am opposed to this bill.

Thank you for your time.
