Measure, Appointment or SB1599  
Topic:

I oppose SB 1599. As elected officials in this once great state, it is expected for you to follow the constitution and the direction you have been given by this state's amazing people. The majority party shoved thru this egregious tax bill that the people rejected by an extremely successful signature gathering campaign. Now, is the time to do the right thing and let the people decide in November and reject this sneaky bill to circumvent our state constitution. Do not change the date for this ballot measure, as it already has a date as lined out by the state constitution.
