Hello,

With all due respect, doesn't it seem like our current governor is trying to push this past the citizens instead of working with "THE PEOPLE". It's already obvious that most don't want this bill. Most don't want more taxes. Most don't want a governor to do what she is doing. It's not nice to try and fool the people that pay for our government, so I do not want this bill to pass. I signed the petition against it and so did a lot of others. No on SB1599

Regards,
