Measure, Appointment or Topic:	SB1599

"I oppose SB 1599." The voters overwhelmingly signed a petition to put this issue on the November ballot. The arrogant governor's typical refusal to listen to the will of the people instead, putting her thirst for power ahead of her responsibility. She also doesn't want it competing with her in the November election. Typically more people vote and it will be a reminder of how incompetent she is and affect who they elect.
