Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

It is very transparent what you are trying to do with the bill. I am testifying that I oppose this vehemently as the promise was when I signed this would be on the November ballot. Everyone knows what you are doing here and it is wrong. Conservative voices are constantly being minimized or silenced in this state. This will not go unnoticed this time.
