Measure, Appointment or Topic: HB4153

HB 4153 is the camels nose under the tent... Oregonians from all across the state are realizing the dangers that HB 4153 poses to our world-class farmland and small family farms. It undermines and compromises Oregon's land use laws that protect farm and forest lands that help make Oregon a great place to live - and visit. The bill is shortsighted and potentially impactful. It is not why I chose to live and work here. Do not allow this unfortunate bill to pass. Thank you!
