2026-302  
Measure, Appointment or  
Topic: SB1599

Dear Oregon Legislators, why the delay? The people have followed the process to allow our voice heard at the November 2nd election.

It is obvious you are suppressing the voice and will of the people for your own agenda. As a result of your tyranny we have taxation without representation! This is a common abuse of power with those that no longer have to worry about election results.

The people demand the ballot measure SB1599 to be on the November ballot.  
Respect the will of the people!
