Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

Please follow the existing rules and have the vote in November vs May. Your job as Representatives of the people is to allow the clear intent of the petition which was to have the people vote on it in November. The slight of hand of moving the election to a lower turnout date is totally unethical and probably criminal. You might as well move the election to a school board election date. If the legislative bodies of Oregon where truly honest, all measures and referendums would be mandated by law to be decided on the general election date to be responsible to the majority of the citizens of the state. Thanks for your consideration Cliff Seubert registered voter in Colton, Or.
