2026-302  
Measure, Appointment or  
Topic: SB1599

As an independent voter I think legislators should be ashamed of their sneaky behavior trying to switch elections in a poorly disguised attempt to push through an unpopular bill. Imagine if Republicans had done this to push through an anti-immigration bill or a gun rights bill, you'd be up in arms (pun intended).

You are eroding our confidence in your representation faster than the Santiam river at flood stage.
