

Submitter: Fremont Tanner  
On Behalf Of:  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

My name is Fremont Tanner,

I live in Newberg, and work in Tualatin. I am strongly against measure SB1599. Petition signers all understood, me being one of them, that this was referring the referendum to the November general election ballot. It is not surprising that there might be a movement to move this referendum to an election time when less folks vote by those that would like to find a way to keep more of us Oregonian's hard earned money. However, I would ask that the committee and the legislator recognize the petition and it's request. I would also request that they respect the people of the state who asked for this referendum via petition.

This should be referred to the voters on the November ballot.

Respectfully,

Fremont Tanner
