I wish to go on the record, stating that I strongly disapprove of the sneaky approach that Governor Kotex and her democratic legislators have taken when the people of Oregon clearly have stated by following the Laws of Oregon that the ODOT bill passed by the 2025 Legislature be placed on the 2026 November ballot and now they want to change the Oregon Laws to allow them to move it to the May ballot. We the People of Oregon gave you a mandate to have this before the people in November for a vote. Honor you sworn duties
