Topic: SB1599

SB1599 is another back door way of keeping Oregonians from voting on Ref Petition 2026-302 as our Slack Jawed so called Representatives know well that there is a lower voter turnout that would give our fake reresentives the opportunity to ram a bunch of taxes on us that we just can't afford down our throats. We Oregonians just can't afford you people anymore. this is nothing but a sneaky, sleasy way of screwing us again. I can,t wait for the opportunity to help vote you so called people, including the so call govenor KOTAX.
