Measure, Appointment or SB1599
Topic:

I wish to submitt the following in opposition to SB 1599. When I signed the petition to place the gas tax increase legislation on the ballot, it was clearly stated on the petition form that it would be on the November 2026 ballot. 225,000 other Oregonians who signed the same petition had the same expetation. The people of Oregon have spoken. This proposed legislation to change the vote date to May 2026 is a direct slap in the face of the Oregon voters and a wilful denial of their will. It must not be passed.
