Topic: SB1599

Dear Representatives,

We the people of the state of Oregon signed a petition of about 250,000 strong. That was a resounding, "No," on SB 1599, "The Big Beautiful Tax bill."

Now, Governor Kotek and some of you, the legislators, have brought this same issue up again. We the people have watch as legislation against the will of the people has been pushed through numerous times. The burden of these new taxes, falls on an already burdened population. It is irresponsible to waste taxpayer money, and set the cost on the taxpayers. Be honest with integrity. Take responsibility, and vote "No" on o SB 1599.

Thank you for your concern and time in this matter.

Sincerely,

Michael Faber
