On Behalf Of:

Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

Please vote no on this ballot measure. Let the voters choose on November. Over 1/4 millions signatures were gathered for this process. It is disappointing to push this forward right after trying to shorten the timeframe to obtain signatures. Let the process play out. Be the representatives of the people. Do what they want. Don't try to circumvent our Will for your own agenda

David Patterson
