Measure, Appointment or
Topic: SB1599

As a citizen of Oregon, I oppose the Oregon Democrat's attempt at decoupling the disastrous SB1599 Gas Tax and the November election in which Governor Kotek is running for reelection. Moving the vote on SB1599 to May is a feeble attempt to circumventing the will of the people, thinking that the May ballot will have a lesser turnout. Keep the ballot measure on the November ballot and deal with the consequences of the failed leadership of Governor Kotek and the Democrat super majority in the Oregon legislature.
