2026-302

Measure, Appointment or  
Topic: SB1599

When I signs the referendum petition it said that this would be on the November ballot. This it's important at since it is the election that has the most items to vote on and has the biggest turn out. Moving this to the May election not only reduces the amount of voters but also is not what fair. Please do not change what the will of the people want. Please vote on the referendum as this is what the people want.
